***Muni improved slightly in 2003. Will it continue this trend in 2004?
Help us find out.***

RESCUE MUNI, the San Francisco transit riders' association, is conducting its 8th annual **Muni Riders' Survey** throughout April 2004.

We will be measuring on time performance by a simple yardstick:

did you, the rider, wait too long?

To take part, simply fill out this form for the buses and streetcars you take **throughout April**. If you need more forms, just give us a call.
